

The UNIVERSITY CLUB of WINTER PARK

COVID-19 UPDATE

This brochure is a temporary addendum to our regular one to inform the community of our activities under Covid-19.

Our Club remains active, but we have had to adjust to life with the virus. Members have responded positively to the situation and have proven the Club to be resilient.

On the Club's premises, we are strictly enforcing three main health recommendations:

1. Masks must be worn at all times.
2. Those present must stay a minimum of six feet apart.
3. Hand sanitizer is always available and surfaces are frequently disinfected.

ONGOING ACTIVITIES

Thanks to the Club's creative and dedicated members, we have been able to keep many of our activities going. The following activities are now offered via virtual platforms such as Zoom:

- Spanish (two groups)
- German
- French
- Italian

- Current Events (morning)
- History Group
- Crafty Ladies
- Classics Book Club
- Art Exploration
- Kaffeeklatsch
- Classical Music
- Cocktail Hour with Interviews

Some activities are offered simultaneously online and in person at the Club:

- Foreign Affairs
- Economics for the Layperson
- Investments Discussion

Some take place exclusively in person:

- Current Events (evening)
- Philosophical Discussion
- Philosophy 101
- Library

We are considering restarting additional activities, and even introducing new ones.

Our library is open daily to members—and they are using it intensively.

Our philanthropic activities continue as before.

ACTIVITIES ON HOLD

**Club rentals
Local artist exhibits
Live performances
Luncheons and dinners**

**BECOME
A MEMBER AND
PARTICIPATE!**

Help out with existing activities, create and organize new ones, propose ways to improve our Club, and participate in the daily running of the Club through various working groups.
